SKIER QUALIFICATIONS

In Addition to the standard NRL qualification methods, the Eastern Region Council has approved qualifications based upon the final 2008 ski year National Rankings List (NLR) so that you may be better able to plan your summer travel plans. Set a goal and ski this number in 2009 ski year and you're qualified! The 2009 NRL may end up being lower, so keep an eye on that as well. Good Luck and as noted under registration, we'll refund money back to anyone who does not end up qualifying. Proof of skier performances will be based upon the NRL with your paper skier performance sheet as a back-up only. Be sure your NRL is accurate!! NRL skier level requirements are shown below.

Eastern Region Junior Development Team

JUNIOR DEVELOPMENT COMMITTEE

Chair Chris Goodhue

SELECTION RULES FOR EASTERN REGION JUNIOR TEAM MEMBER

A. General definitions and qualifications for all team members:
   1. All team members must be Eastern Region skiers as defined in tournament rules.
   2. Junior skiers are skiers in the Boys 1, 2, 3 and Girls 1, 2, 3 divisions.
   3. Teams will be selected based on performances of the current ski year and named for the ensuing year (the team year) following the completion of the National Tournament.
   4. A skier's division is the division in which he/she will be eligible to ski at the next Regionals/Nationals.
   5. To maintain his/her position, a skier must be a competitive member of USA Water Ski for the team year.

B. Junior Development Team: made up of all junior skiers who ski in the Regionals and/or Nationals.

C. Exceptions to team selections: Any skier who has qualified for the Regionals/Nationals and is unable to participate due to injury or personal reasons may submit in writing his/her request for exception along with their performance rating card to the Junior Development Committee no later than two weeks after the completion of the Nationals. The committee chairperson will notify the skier in writing of the decision of the committee.

SELECTION RULES FOR THE EASTERN REGION ALL STAR TEAM

1. The team composition is made up of 6 members.
2. The 6 members must be current skiers in the Boys2, Boys3, Girls2, or Girls3 divisions.
3. The skier must be committed to attending and skiing in the National Competition
4. Skiers will be chosen based on their regional seeding *as 60% and their Regional performances as 40%.
5. The committee will choose the strongest three eventers first, then the two eventers and finally single eventers.
6. If the skier skis in a tournament that is out of the Eastern Region, it is his/her RESPONSIBLITY to send in a copy of their performance record to Jennifer Frederick** if the skier wants that score to be added to their seeding for Regionals. This record MUST be given to Jennifer at least ONE WEEK prior to Regionals in order to be counted.

TOURNAMENT SEEDING

* Seeding: How is it calculated? The seeding program takes the best THREE scores and uses a 4% penalty for each missing score less than three.

Tournament Seeding Committee Chair:

Jennifer Frederick-Kelly

109 June Rd

Elma, NY 14059

NOTE: In the event of unforeseen circumstances in selecting any of the teams which, in the unanimous opinion of the Junior Development Committee render these procedures clearly ineffective, the Committee may amend these procedures as necessary to accomplish the goals of the Junior Development Program.

DAVID ALLEN COUNCIL-MASSACHUSETTS

I have been the president of the MA Water Ski Assoc and it's council rep since 1995. I have been water skiing competitively (some who say never competitive) since 1984. I'm not the best skier at our state tourn but I believe I'm the most enthusiastic. I love to teach kids and involve new skiers in our sport and at our state tournament. I alsolove to teach new skiers about trick skiing since that is my favorite event. Our state recently had a great loss with the death of Lex Carroll in September 2001. Lex was and probably always will be the heart and soul of Massachusetts's water skiing. The site that was developed by Lex and others has been a great resource to many MA skiers over the years. Lex and his wife Jane were instrumental in developing my daughter's love of water skiing. Happily Lex's traditions and the Oakham site are being carried on admirably by the Goodhue family.

RUSS COLE
COUNCIL-MASSACHUSETTS

Currently a councilman from MA & Regional Safety Director. Primarily a jumper, highlights of skiing career were joining (finally) the Century Club at age 55 & 1st place(M-6) @ the 2002 Nationals. Active member of the Nipmuc Water Ski Club in Webster, MA. Sons Dave & Jim (M-3) active in Eastern Region tournaments and help to push me further. Wife Joan provides the checkbook and 911 cell phone. Am currently employed as an ER RN to help keep me prepared to treat my own injuries! Grateful to all the super people my family & I have met through waterskiing over the years.

I am a W4 slalom skier who has skied competitively since 1991 and got on skis when I was three. I jumped three years thanks to the Marlboro and Oakham guys, and I occasionally get on trick skis. I am a regular driver and judge for slalom. I made Vermont my home in 1998, have a home with my SO Woody, and enjoy all types of winter skiing, too. When not playing, I tend to the Eastern Region website, have a website development company, and would welcome the opportunity to work on your project.
